Minutes

The Minutes of the Committee meeting held on Thursday 11th January 2007 were read, confirmed and signed as a true record.

Matters Arising

- 1 At a previous meeting it had been suggested that the Club apply to the Lords Taverners for funding towards cricket equipment which could be used by the Ladies Section. The Hon Secretary had now obtained the appropriate application form from the County Club (passed to Hon Treasurer).
- 2 It was noted with some concern that Mr Gary Lloyd's wife had been diagnosed with cancer and had undergone an operation. Members were advised that Gregg Miller was arranging a collection for a bouquet of flowers.
- 3 Cricket Stumps and Weighted Bails – R Bellerby agreed to peruse catalogues to secure most advantageous price – the provision of heavy Bails was now more urgent as the existing ones had apparently disappeared.

Financial Report

Information relating to club finances will not be available online. Members with any queries relating to this section should contact the club treasurer directly. Please see the Management Committee section of this website.

Ground & Maintenance

- 1 The field had been cut – Dai Edwards would continue to do so on a regular basis.
- 2 It was noted that due to ill health Brian Phelan's ability to assist in future was likely to be limited.
- 3 Dai Edwards and Larry Evans were servicing the "John Deere" mower.
- 4 Cables required adjusting on the wicket mower – R Bellerby to arrange service.
- 5 In the absence of any realistic course of action it appeared that the Club would have to continue to hire a roller on an "as and when needed" basis for the foreseeable future.
- 6 The score box door had suffered storm damage – temporary repairs had been effected.

7 Materials had been made available by the Junior Rugby Section to protect the square during the forthcoming junior festivals.

8 The Treasurer indicated that he proposed to approach the Athletic Club regarding the purchase of a sponge hopper citing the purchase of a line marker as a precedent.

9 Weed killer needed to be applied to all the grounds after the current rugby season comes to an end.

AOB

1 Cricket Nets - it was noted that Neyland were due to make their seasonal bow in the Indoor League on Sunday 18th February 2007. It was therefore agreed that as several players would as a consequence be attending the Meads Leisure Centre in any event, they should endeavour to book the nets facility for whatever dates were deemed convenient.

2 The acquisition of Roll On Nets was to be among the targets for the coming months.

There being No Further Business the meeting was declared closed after confirming the date of the next meeting for Thursday 8th March 2007.
