

THE MINUTES OF THE COMMITTEE MEETING OF NEYLAND CRICKET CLUB HELD IN THE COMMITTEE ROOM OF THE ATHLETIC CLUB ON THURSDAY 8TH JUNE 2006.

Present: R Bellerby
J P Edwards
A Hansen
M C Jones
B Phelan
M J Rees

Apologies: B Warlow

The Minutes of the meeting held on Thursday 18th May 2006 were then read, confirmed and signed as a true record.

Matters Arising

- 1 Roller – A Hansen and M C Jones had made enquiries and although the Club might be able to currently commit some £1500 to £2000 towards the purchase of a new machine it appeared that the cost of a replacement would be approximately £3500. Given the circumstances there was little alternative for the foreseeable future at least other than to continue to hire a roller on a fortnightly basis.
- 2 Sponsorship – letters had been prepared and distributed to some players and members.
- 3 Sports Club Questionnaire had been completed and returned to the County Council.
- 4 Registration forms had been completed and submitted in relation to all players to have represented the club thus far this season.

Financial Report

Matters relating to club finances will not be made available online. For further information members may contact the club treasurer. This can be done through the management committee section of this website.

Ground & Maintenance

- 1 Square/ Ground preparation – R Bellerby required assistance particularly when on leave during the coming weeks.
- 2 Reference was made to the untidy state of the grounds. This appeared to be due to youths congregating in the playing fields and littering the grounds with bottles and other detrius.

Correspondence

Details of the draw for the quarter finals of the Harrison Allen Bowl had been received from the County Club. Neyland were due to entertain Carew on Tuesday 13th June.

Promotional literature had been received from Glamorgan County Cricket Club in relation to their forthcoming home fixtures in the 2006 Twenty 20 Cup.

Athletic Club Redevelopment

The siting of the MUGA remained an issue although plans were due to be available at the next meeting of the RFC Committee. A general discussion followed during which many of the concerns voiced at previous Committee meetings were once aired.

Ultimately it was agreed by all present that the development should not proceed until the Cricket Club Committee were made aware of the full effect of the proposals on the existing status quo.

Concern was again expressed at the failure to notify Club delegates of certain meetings of the development group.

AOB

There was no any other business accordingly the meeting was declared closed after confirming the date of the next meeting for 13th July 2006.
